Telegram dated the 23rd January, 1929, from the Secretary to the Government of Madras, Law & Education Department.

Attention is invited to S.N. 28. The Madras Government regret inability to supply the services of an officer for temporary arrangement.

The appointment of Inspector of Schools, Coorg and Bangalore, is in the Madras cadre. Under the existing orders, the Madras Government should depute an officer to relieve Mr. Yates, till the appointment is removed from their cadre. The Secretary of State for India may or may not approve of the Resident's proposal to remove the post of the Inspector of Schools, Coorg and Bangalore, from the Madras cadre.

We may now either retain the services of Mr. Yates till a new officer is recruited from England, or make local arrangements to relieve Mr. Yates on the 1st February, 1929.

Under Rule 58 of the Book of Financial Powers, the Hon'ble the Resident may sanction the creation of a temporary post on pay not exceeding Rs. 1,500/- p.m. for not more than six months. He may, therefore, appoint any suitable man for the post. Funds have been provided for the purpose in the current year's Assigned Tract budget estimates.

Submitted for orders.

P.U.C. 1.

The Mysore Government have been addressed

8.N.34 as regards exempting Mr. McAlpine from the payment of contribution for leave salary and pension. If the period of deputation exceeds six months, ------ contribution for leave salary and pension has to be paid under note 1 to Article 412 of the Mysore ---- Service Regulations for the whole period of ------- transfer i.e. the pay of the Acting Inspector of Schools, Coorg and Bangalore should be raised from Rs. 1,500/- to Rs. 1,790/-. This will exceed the Financial Powers of the Resident. After the appointment of Mr. McAlpine a report may perhaps be made to the Govt: of India.

P.U.C. 11.

The Pay and Accounts Officer states that the Hon'ble the Resident can create a temporary post on a pay of Rs. 1,500/- per mensem for a period of 6 months and grant travelling allowance under the usual rules. He , however, considers that

that a report should be made to the Secretary of State under paragraph 5 of the Government of India, Home Department letter No. F. 272/23, dated the 16th September, 1926 by the Madras Government. The Madras Government in their telegram dated the 23rd January, 1929, have stated that they are unable to supply Officer for temporary arrangement.

After the receipt of a reply from the Mysore Government, the Madras Government may perhaps be addressed in the matter. Draft telephone message to the Pay and Accounts Officer is submitted for approval

P.U.C. 111.

Mr. J.A. Yates is anxious to hand over charge on the 8th February, 1929 and enquires ----- whether his Sub-Assistant Inspector of Schools be in charge of office. It appears that there is no objection to the proposal - Vide Rule 1(1) of Part 11(a) of Appendix No. 3 to Post Office Compilation of the Fundamental Rules. The leave applied for in S.N26 may perhaps be sanctioned with effect from 9th February, 1929.

Submitted for orders as to whether Mr. Yates may be informed that he can hand over charge to the Sub-Assistant Inspector of Schools on the 8th February, 1929, ~~if~~ in case Mr. McAlpine ~~not~~ is not appointed

On the 1st February, 1929, the Mysore Government were asked to place the services of Mr. McAlpine at the disposal of the Resident for employment as Inspector of Schools, Coorg and Bangalore. On the 4th February, 1929, the Mysore Government stated that the matter was receiving their attention. No further communication has yet been received from the Mysore Government. If the sanction of the Secretary of State to the creation of a special post of Inspector of Schools, Coorg and Bangalore be not received in time, and the appointment of a permanent candidate for that post be not made within six months, there will be some difficulty in the drawing of the payment of contribution on account of leave salary of Mission on behalf of Mr. Walling.

My dear Mr Pears

I am so sorry I could not write to you earlier in reply to your letter No.C.6856 of the 22nd July. We can let you have the loan of Mr. McAlpine's services for another term of six months as desired by you. Our rules do not permit of our waiving the claim to contribution when the loan is for more than six months, as it will be in the present instance. But if our claiming it will create difficulties for you, we shall be prepared to waive the claim.

LOGA - 1925

Dear Mrs Pears,

I had a letter from Loch some little time ago informing me that the Govt of Mysore had agreed to the loan of my services for a further period of six months, & that the matter had gone to the Govt of India for sanction.

Thursday the 15th August is the last day of my original six months, & Loch tells me that nothing has so far come from Simla. I know quite well that you won't see me "let down", but it is a little unsettling not to know whether or not one is going to

draw any pay on the 16th I should be
very grateful if you would
telegraph to the Govt. of India
& get them to do something about it.

Yours sincerely

Retention of Mr. E. C. McAlpine up to the 15th February, 1930.

Sir,

B.N.4. 106B-28

I have the honour to refer to my telegram No.7310, dated the 6th September, 1928, in which the Government of India have been asked to accord sanction to retain Mr. McAlpine for one month after the arrival of Mr. F.F.C. Ismail.

2. The question whether Mr. Simonds should assume complete charge of the educational departments in Coorg on the Civil and Military Station of Bangalore immediately on his arrival in India has been under further examination and I wish to place certain considerations before the Government of India, some of which are of a general nature and some of which have only just come to notice and affect the claims of Inspectors because it takes place at the present time of the year.

3. It has already been pointed out to the Government of India that the style of 'Inspector of Schools' here is a misnomer. He is actually the head of the department, and combines the duties of a Director of

Public

Public Instruction. Whereas the ordinary District -- Educational Officer in Madras Presidency has charge only of the boys' schools in his area, the Inspector here has everything - boys' schools, girls' schools, technical schools and training schools for teachers. In addition, he is in complete financial charge of the department, and is -- responsible for its budget. Finally the whole of the educational policy of Coorg and Bangalore devolves on him. Since the post of Inspector of Schools in Bangalore was created it has always been held by a man with from 15 to 20 years' educational experience in India. Mr. Edmonds is under 30 years of age, ~~xxxxxxx~~ and his only experience is that of an assistant master for a few years in some school in England. He is arriving shortly in India for the first time, and to suggest that he can take independent charge of the department here immediately on his arrival is to court disaster. By way of analogy, it may be pointed out that when the young policeman joins the service in India, he serves for two years in a police training school. The young civilian is, similarly, posted to a Collector's headquarters, and is lucky if he gets his first sub-division in 18 months. If Mr. Edmonds is not to serve some kind of probationary period under Mr. McAlpine, the present acting Inspector of Schools, there is bound to be chaos and trouble in the department, followed by complaints from Mr. Edmonds that he has been put in an entirely unfair position, and made to assume an impossible responsibility demanded from none of his predecessors.

I have, therefore, on general grounds to recommend that Mr. Edmonds should serve under Mr. McAlpine for a period of at least three months.

4. Apart altogether from these general considerations, there is one particular reason why it would be highly inadvisable for Mr. Simonis to take charge immediately on his arrival.

The Inspector of Schools in Bangalore is Chairman of the Board of Examiners, which conducts the European High School and Middle School Examinations. These take place about the beginning of December and the results are - - generally published towards the end of January. These examinations in Bangalore have only been in existence since 1926, and Local pupils used to sit for the Madras examinations. A certain section of local opinion is still rather apprehensive as to whether this Bangalore Certificates carries the same weight as the Madras one, and letters on the subject have recently appeared in the local press. Further, the Anglo-Indian and Domiciled European - is agitation in Bangalore have taken the matter up with the present Inspector of Schools. I have no reason to share these apprehensions regarding the value of the Bangalore certificate, but I feel that a change of Inspectors at this juncture would have a very unfortunate effect on public opinion. The selection of paper-setters and examiners is always a matter of some difficulty, and standards have to be jealously guarded, especially where an examination of so recent an origin is concerned. During the last three years it has been found necessary on more than one occasion to have a paper entirely revalued by another person.

Mr. Simonis will only have been in Bangalore for days when the examination takes place, and it is impossible for him

6. In the circumstances, I request that the Government of India may be pleased to sanction the retention of Mr. McAlpine till the 15th February, 1930. I suggest that date as the Government of Mysore have extended the period of his loan till then.

The extra cost involved by the proposal amounts to Rs.3,956/- for three and half months (roughly depending on the date of Mr. Edmonds' arrival) at - - Rs.1,787/3/0 per mensem and it will be met by reappropriation from savings anticipated in the current year's Assigned Tract budget estimates.
